Hi ya' students and faculty,

Here it is the end of another year. This year has been mighty good to us, giving us a year packed full of fun and excitement. It has been fun, hasn't it? We'll never forget the teachers (and advisors) who tried their best to make this year enjoyable as well as educational.

Remember the dances, the parties, the fights in the gutter. We have tried to keep a snapshot record of these exciting moments around our campus so that you'll have a permanent record of your high school and the old familiar faces. We are, everyone, the "F.U.H.S." of 1946-47.

In deep appreciation for all he has done for us, and the many, many years of faithful service he has given, we, the class of 1947, dedicate this annual to Mr. John Miano. May his future be as bright as the atmosphere he created among his students.

*a job well done, say Trustees Salter, Hodson,
Baker, Shook, and Luker, as they emerge from a
school board meeting.*

Fullerton Union High School is fortunate to have S. Stanley Warburton as superintendent for the past two years. In this short period of time our school has profited greatly by his guidance. Mr. Warburton can always be found in his office ready to advise on school matters. He's a real pal to both students and faculty members.

The "Big Three" of our campus administrators are Miss Dorcus Turner, dean of girls, Glenn H. Lewis, principal, (center) and Don Cruckshank, dean of boys.

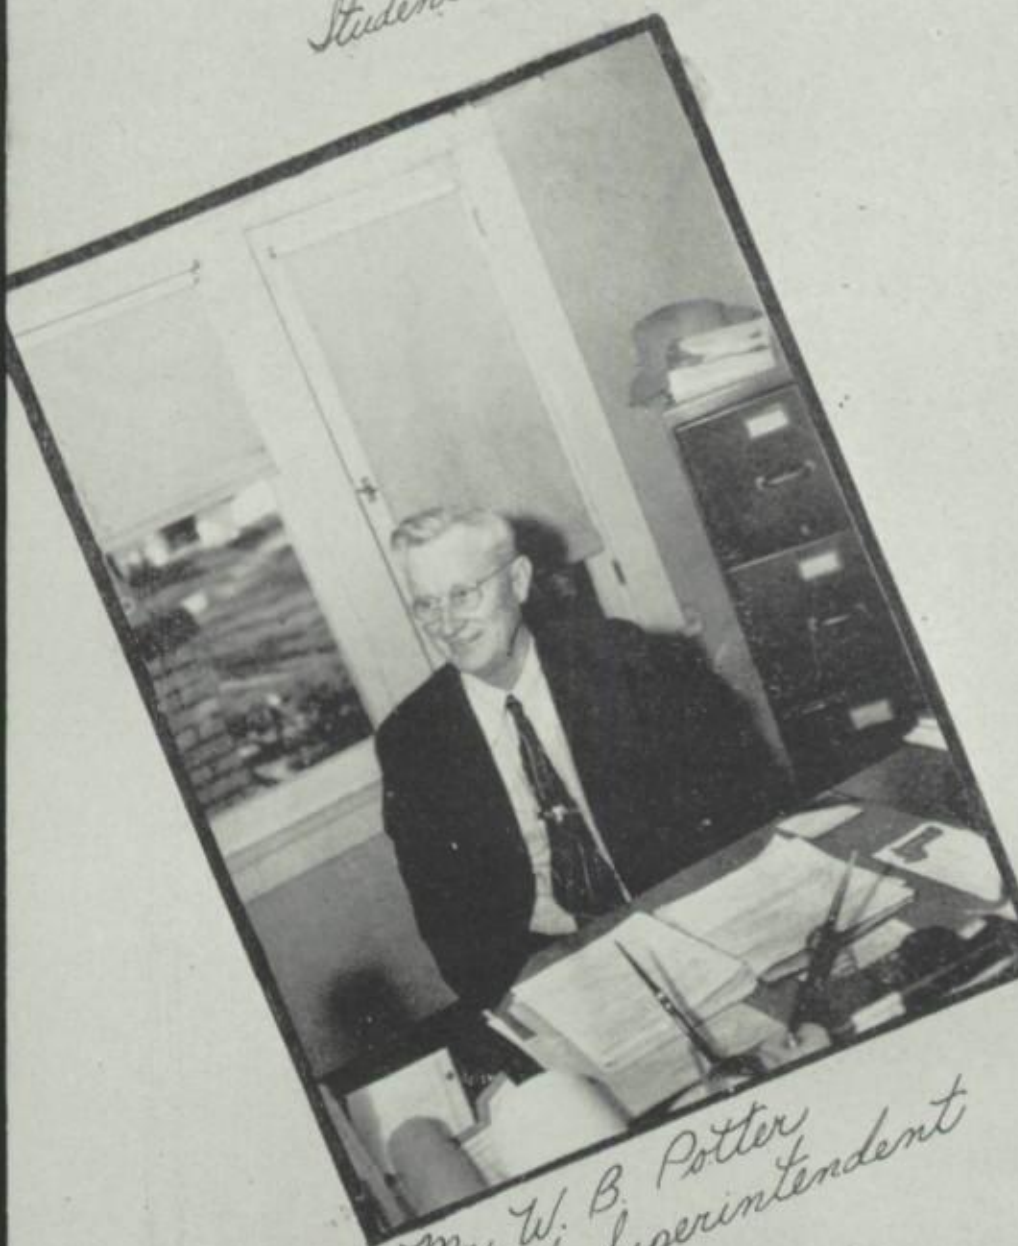

Whenever we have problems we know just where to go. They used to scare us to death, but it didn't take long to find out they are really quite human and very willing to give us advice on the trials and tribulations of high school life.

Mrs. Mildred J. Blasingame
Student Body Financial Accountant

Mrs. Eleanor Campbell
Septbook Clerk

Mr. W. B. Potter
Plant Superintendent

Mr. Dan Henry
Business Manager

..... Here are the high school secretaries, Katherine Steward, Betty Mc Kinley, Velma Woolpert, and Carol Smith. (Boy, can they give out demerits!) Connie Blove, Rachel Wolfe, Myre Miller, Leola Felton, and Emma Williams are the business office and superintendant's office secretaries.

200 - (- 67)

This year our student body was under the leadership of Bob Nielson. He worked very conscientiously at his job and made a real success of it. In addition to his duties as student body president, he was in many campus activities. His experience as a leader started in his grammar school days which made him a good choice for student body prep.

The meeting was called to order by Bob Nielsen, student body president (standing). The minutes were read by Betty Jo Meyers, secretary (to his rt.). Vivian Obluda, Weekly Pleiades editor (left) made the motion that a vacation be declared from March 29 to April 7. The motion was seconded by Barbara Harwood, Annual Pleiades editor. It was approved by Dick Lane, vice-president, (Bob's left); Jim Gifford, treasurer; Jacky Kurtz, girls' league president; Bob Osborne, boys' league president; Priscilla Kearight, girls' athletic mgr.; and Douglas Kisser, boys' athletic mgr. The entire student body adjourned to the beach.

Speaking of senior classes! We really had one. When the gang got together they really painted the place red. When they were "scrubs," and I say that with respect, their senior year looked mighty far off, but this year they emerged full fledged seniors, "big-wigs" of the campus.

The high flyin' juniors were right on the beam this year. One of their prize accomplishments was the prom they gave the seniors. They really knocked themselves out and gave a prom to be remembered.

The self-called spark of the campus was the sophomore class. They were really buzzin' with pep, and were eagerly awaiting their first year as upper classmen.

The freshman class was hip this year and I mean hip! They added that certain "something" to the school. When these rowdies are seniors, "Beware, Brother, Beware"!

We students of ol' F. U. H. S. don't study all the time, we have a few spare moments in the course of a day to toss away our books, rulers, pencils and other bits of incriminating evidence and have a little fun. We have lots of clubs around the campus that are both educational and entertaining, such as language clubs. Latin, French and Spanish clubs are rivals from way back, each claiming to be the most important. Let me tell ya', they have initiations that are initiations!

Everyone belongs to the Girls' League or Boys' League. These two clubs are active around the campus.

Other societies are formed by the students interested in special subjects, such as the Future Farmers, the Science Club and the Homemakers Club. Then there are the diligent eager-beavers who form the weekly and annual Pleiades staffs. The Band, Glee Clubs and A Capella are the musical clubs that put on some of the best programs of the year.

The Hi-Y and Y-teens are activities that make up a big part of many students' schedule. They are really worth while and the meetings are fun-plus!

Who could forget the athletes of the school! There are the muscle-men of the Varsity Club and the limber-lassies of the Big 2.

Orchids to Gene McCamish who has
been our star organist all year. Who
said the boys at Sullerton can't
sing? The Boys' Chorus
can really put forth
the music.

The campus looks like a fashion show, thanks to the uniform dress board (left) who see that the "squaws" wear the correct outfit... skirts and sweaters (or blouse) are the order for every day but Wednesday, when the gals can splurge and wear dresses.

Modeling are.

The Boys' League officers (top rt.) and the Girls' League Cabinet (lower rt.) lead the student body in many affairs of the year. We really have reel assemblies too, as these snapshots show. (Do they look bored to you?)

Talking it over are Miss Turner and Jacquie Kwitz.

Dads and Daughters steppin' out!

The Latin Club members and Mrs. Jeffers, adviser, enjoyed themselves at the annual Banquet. (Initiation-left.)

You see before you the "brains of the campus," and we say that with respect for these students are all members of the C. L. F. Advisers are Miss Hansen, Mrs. French, Miss Moody, and Mr. Sproul.

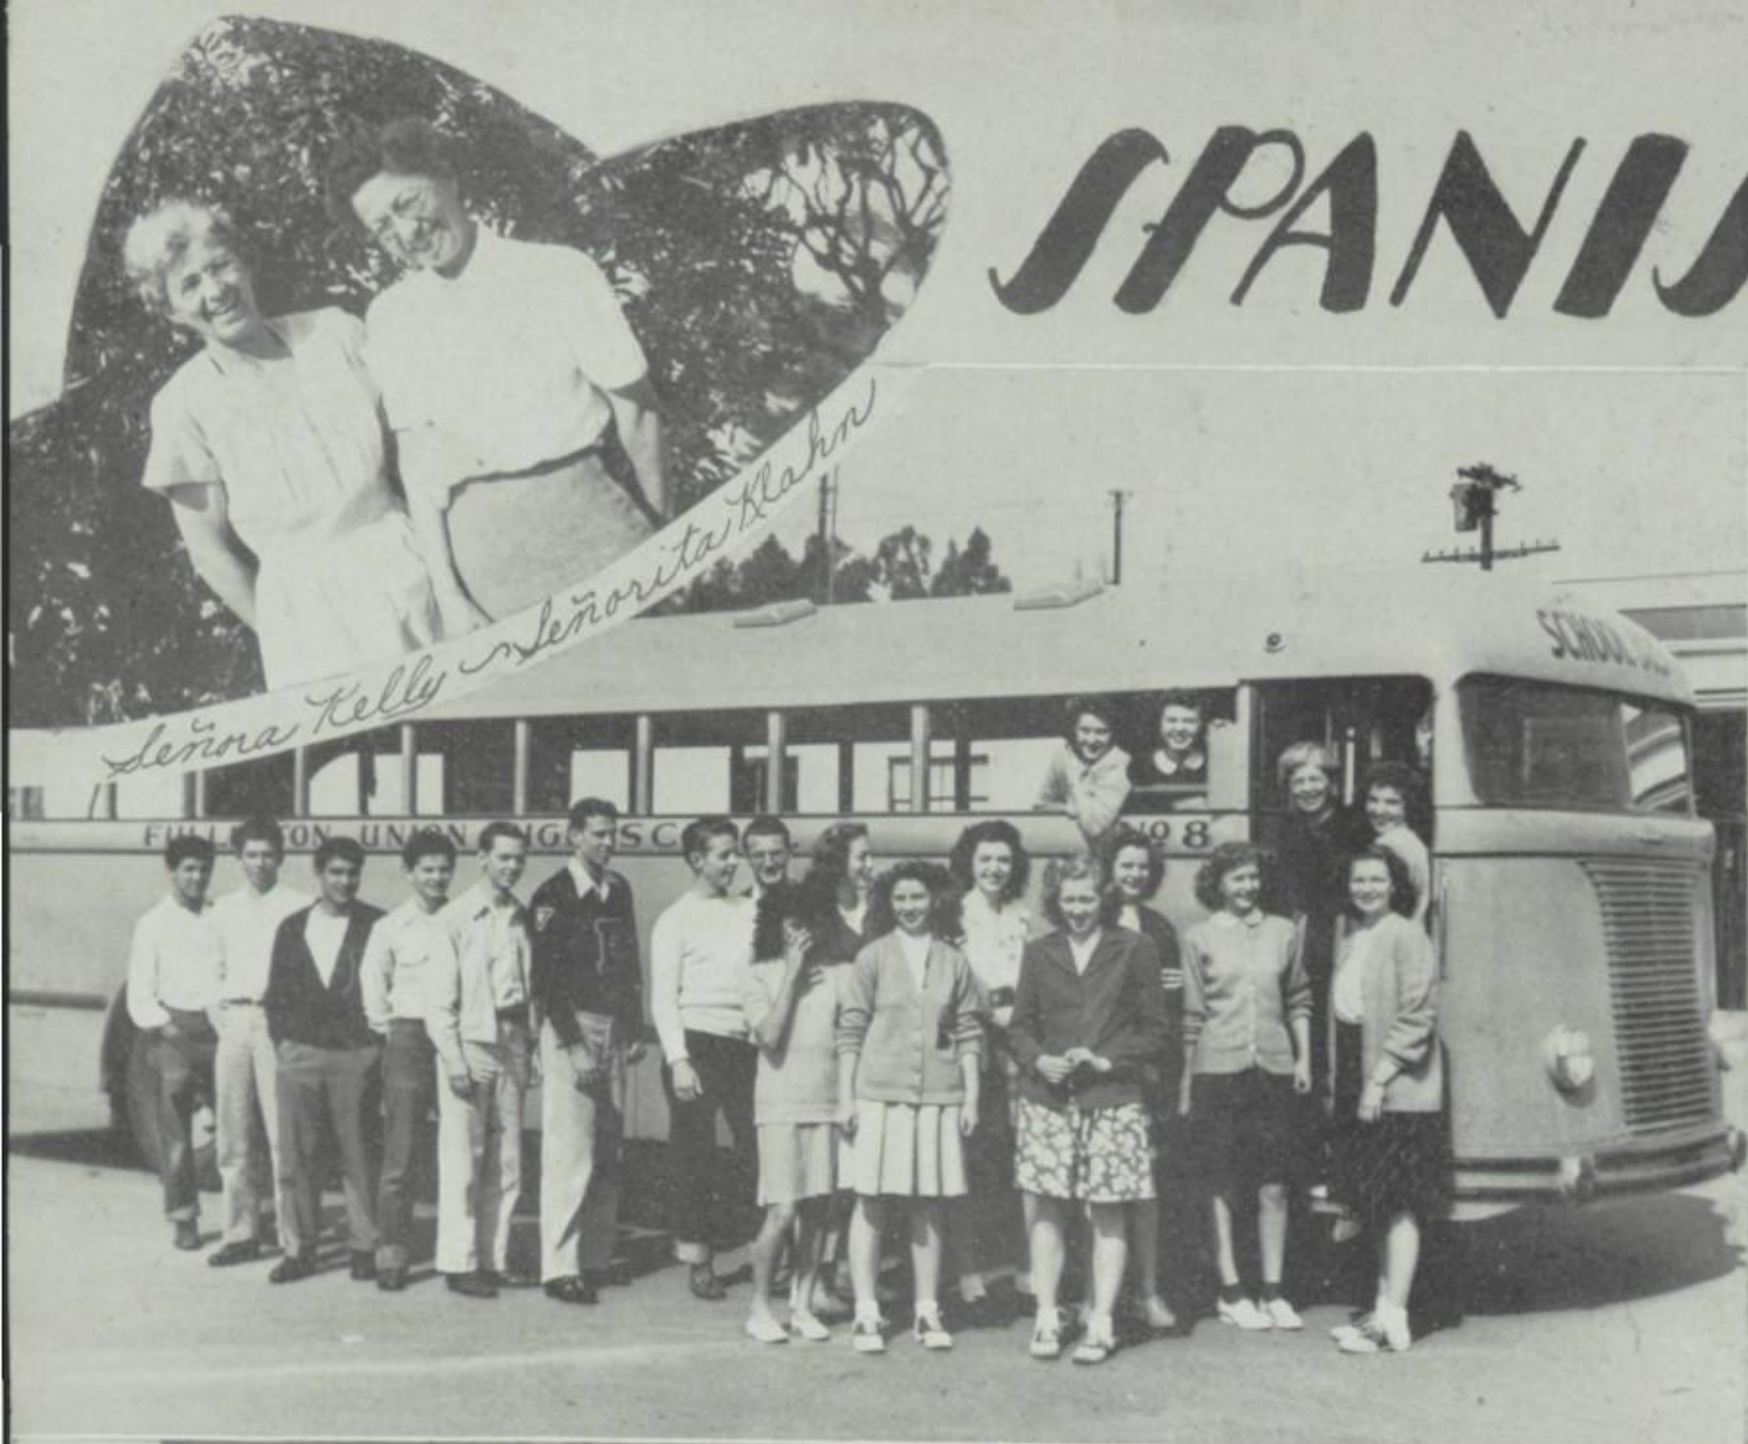

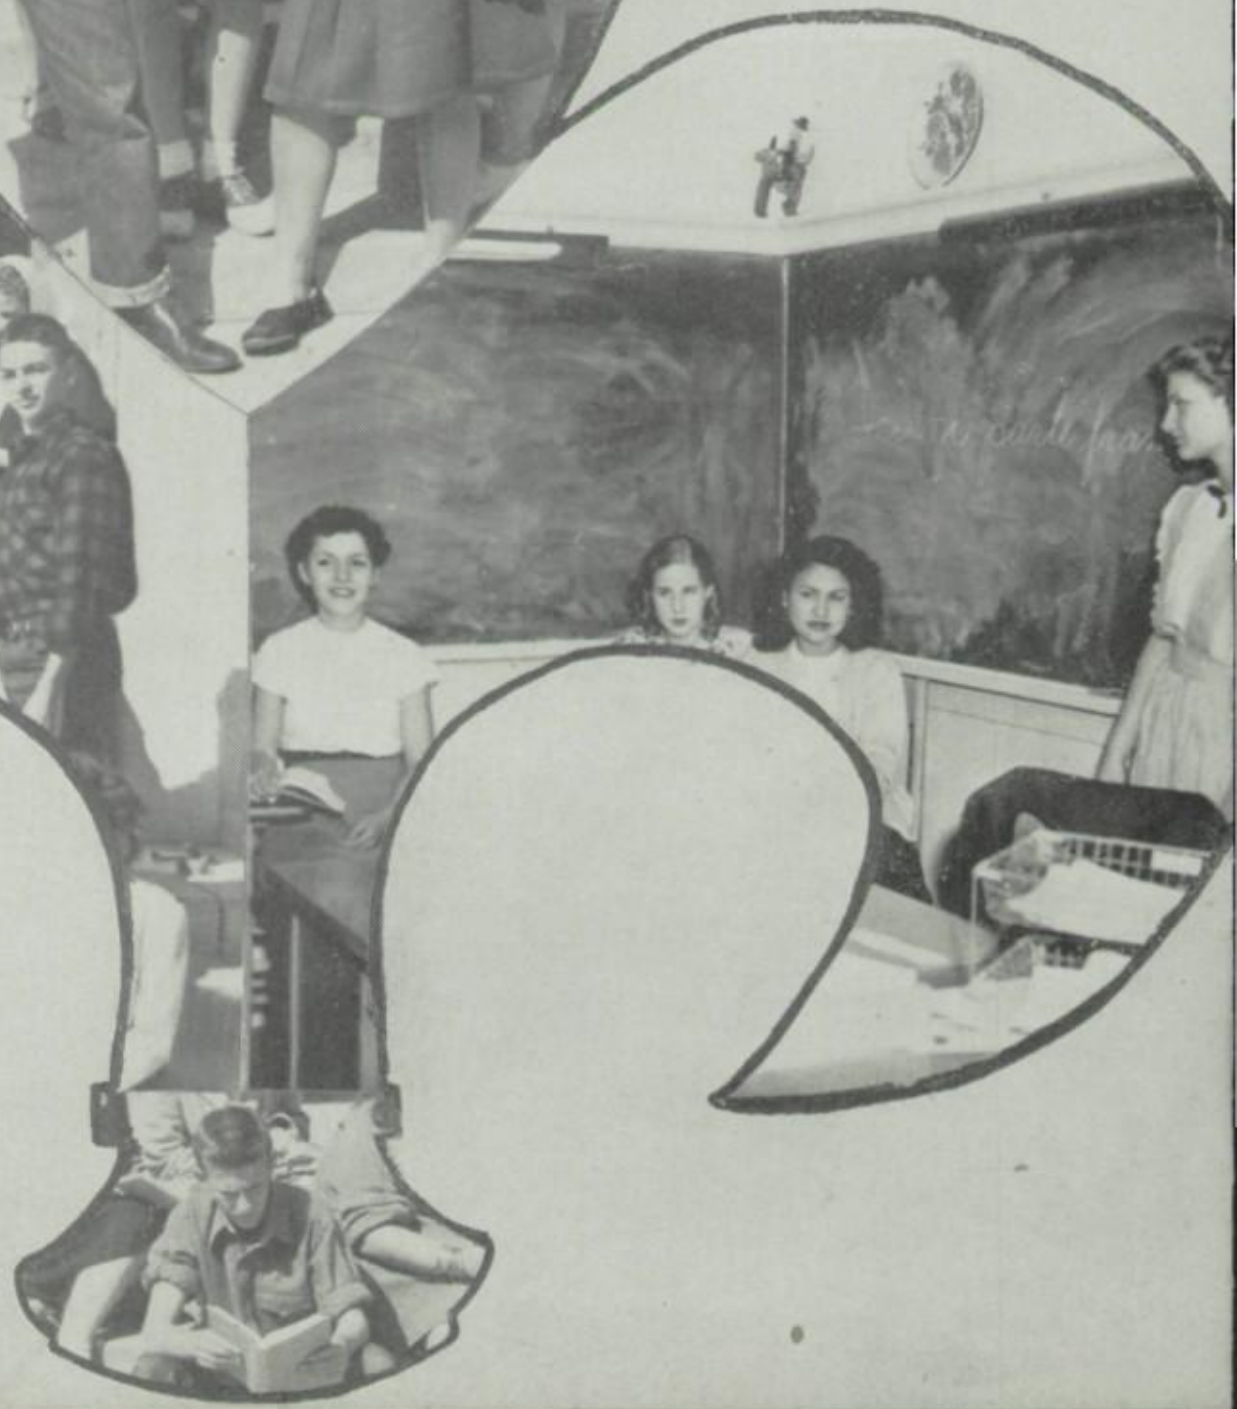

These bright looking students are the Life members of the California Scholarship Federation. They are Green, Arroues, Hallstrom, Snyder, Froehlich, Gobar, and Gifford.

These seven Einsteins have earned Pleiad grades for six semesters, one out of their senior year. The seal will appear on their diplomas.

Mr. Earl C. Narramore's music groups have gained the reputation both at school and 'round town as being really able to put out with some fine music. Mr. Narramore is a new-comer to F.U.H.S. but he has many times proved his ability by the programs he and his "larks" have presented.

This year Fullerton was hostess school to the Orange County Music Festival. Many of our students participated in both vocal and instrumental numbers. It was easy on the eyes as well as the ears when the curtains went up on the different groups all in formal dress.

If you think we never burn the candles at both ends around here, you're beating the wrong time! Our sophs. started the off with a bang by giving the scrubs a big party, (what a party). Another highlight was the Christmas Play, "Why the Chimes Rang." The high school and J. C. went all out and did a wonderful job. The seniors couldn't be out done so they gave "January Shaw," (I thought I'd die laughing). When February 1st rolled around the freshmen held their annual party. Following the younger set were the sophs who gave their party in April. If you've never been to an F. U. H. S. dance, you haven't lived yet. There are the Girl Date, Lock Hop, Dutch Date, Christmas dance etc. Then the Pow Wow. Even the teachers let down their hair and take the day off. There was the parade, brawl, carnival, and the biggest and best dance of the year. Let's go together next year, everyone's always invited - O.K.?

Is there a talent shortage? The freshman class must be the hoarders. They sure displayed plenty when they presented the comedy, "Elmer". Directors were (top center) students Phyllis Seamans (left) and Joan Sitton (rt.). Miss Newton (center) was their coach.

The high school and J. C. combined their talents and presented "Why the Chimes Rang." There was no doubt but what that Christmas play was one of the finest ever presented in our auditorium.

Sock Hop Held Friday

During the new semester, the fifth dance of the year was a sock hop in the girls' gym tomorrow night at 8:00 p.m.

Good and original socks will be judged by new physical science teacher, Paul V. Pagel. Proud possessors, both male and female, will show off their socks as well as home made ones.

He will be assisted by Chuck Croft.

So everyone remember to bring your 25c wrapped gifts and leave them at the door. Admission will be 75 cents for girls and \$1.25 for couples.

Santa Claus wants all you little children to dress semi-formally. By that he means for the boys to wear dress suits or sport suits and TIES and the girls wear street length dresses.

"Christmas Night" is to be the theme of the dance. In charge of decorations is Sue Jensen.

"LOST"

WEEK

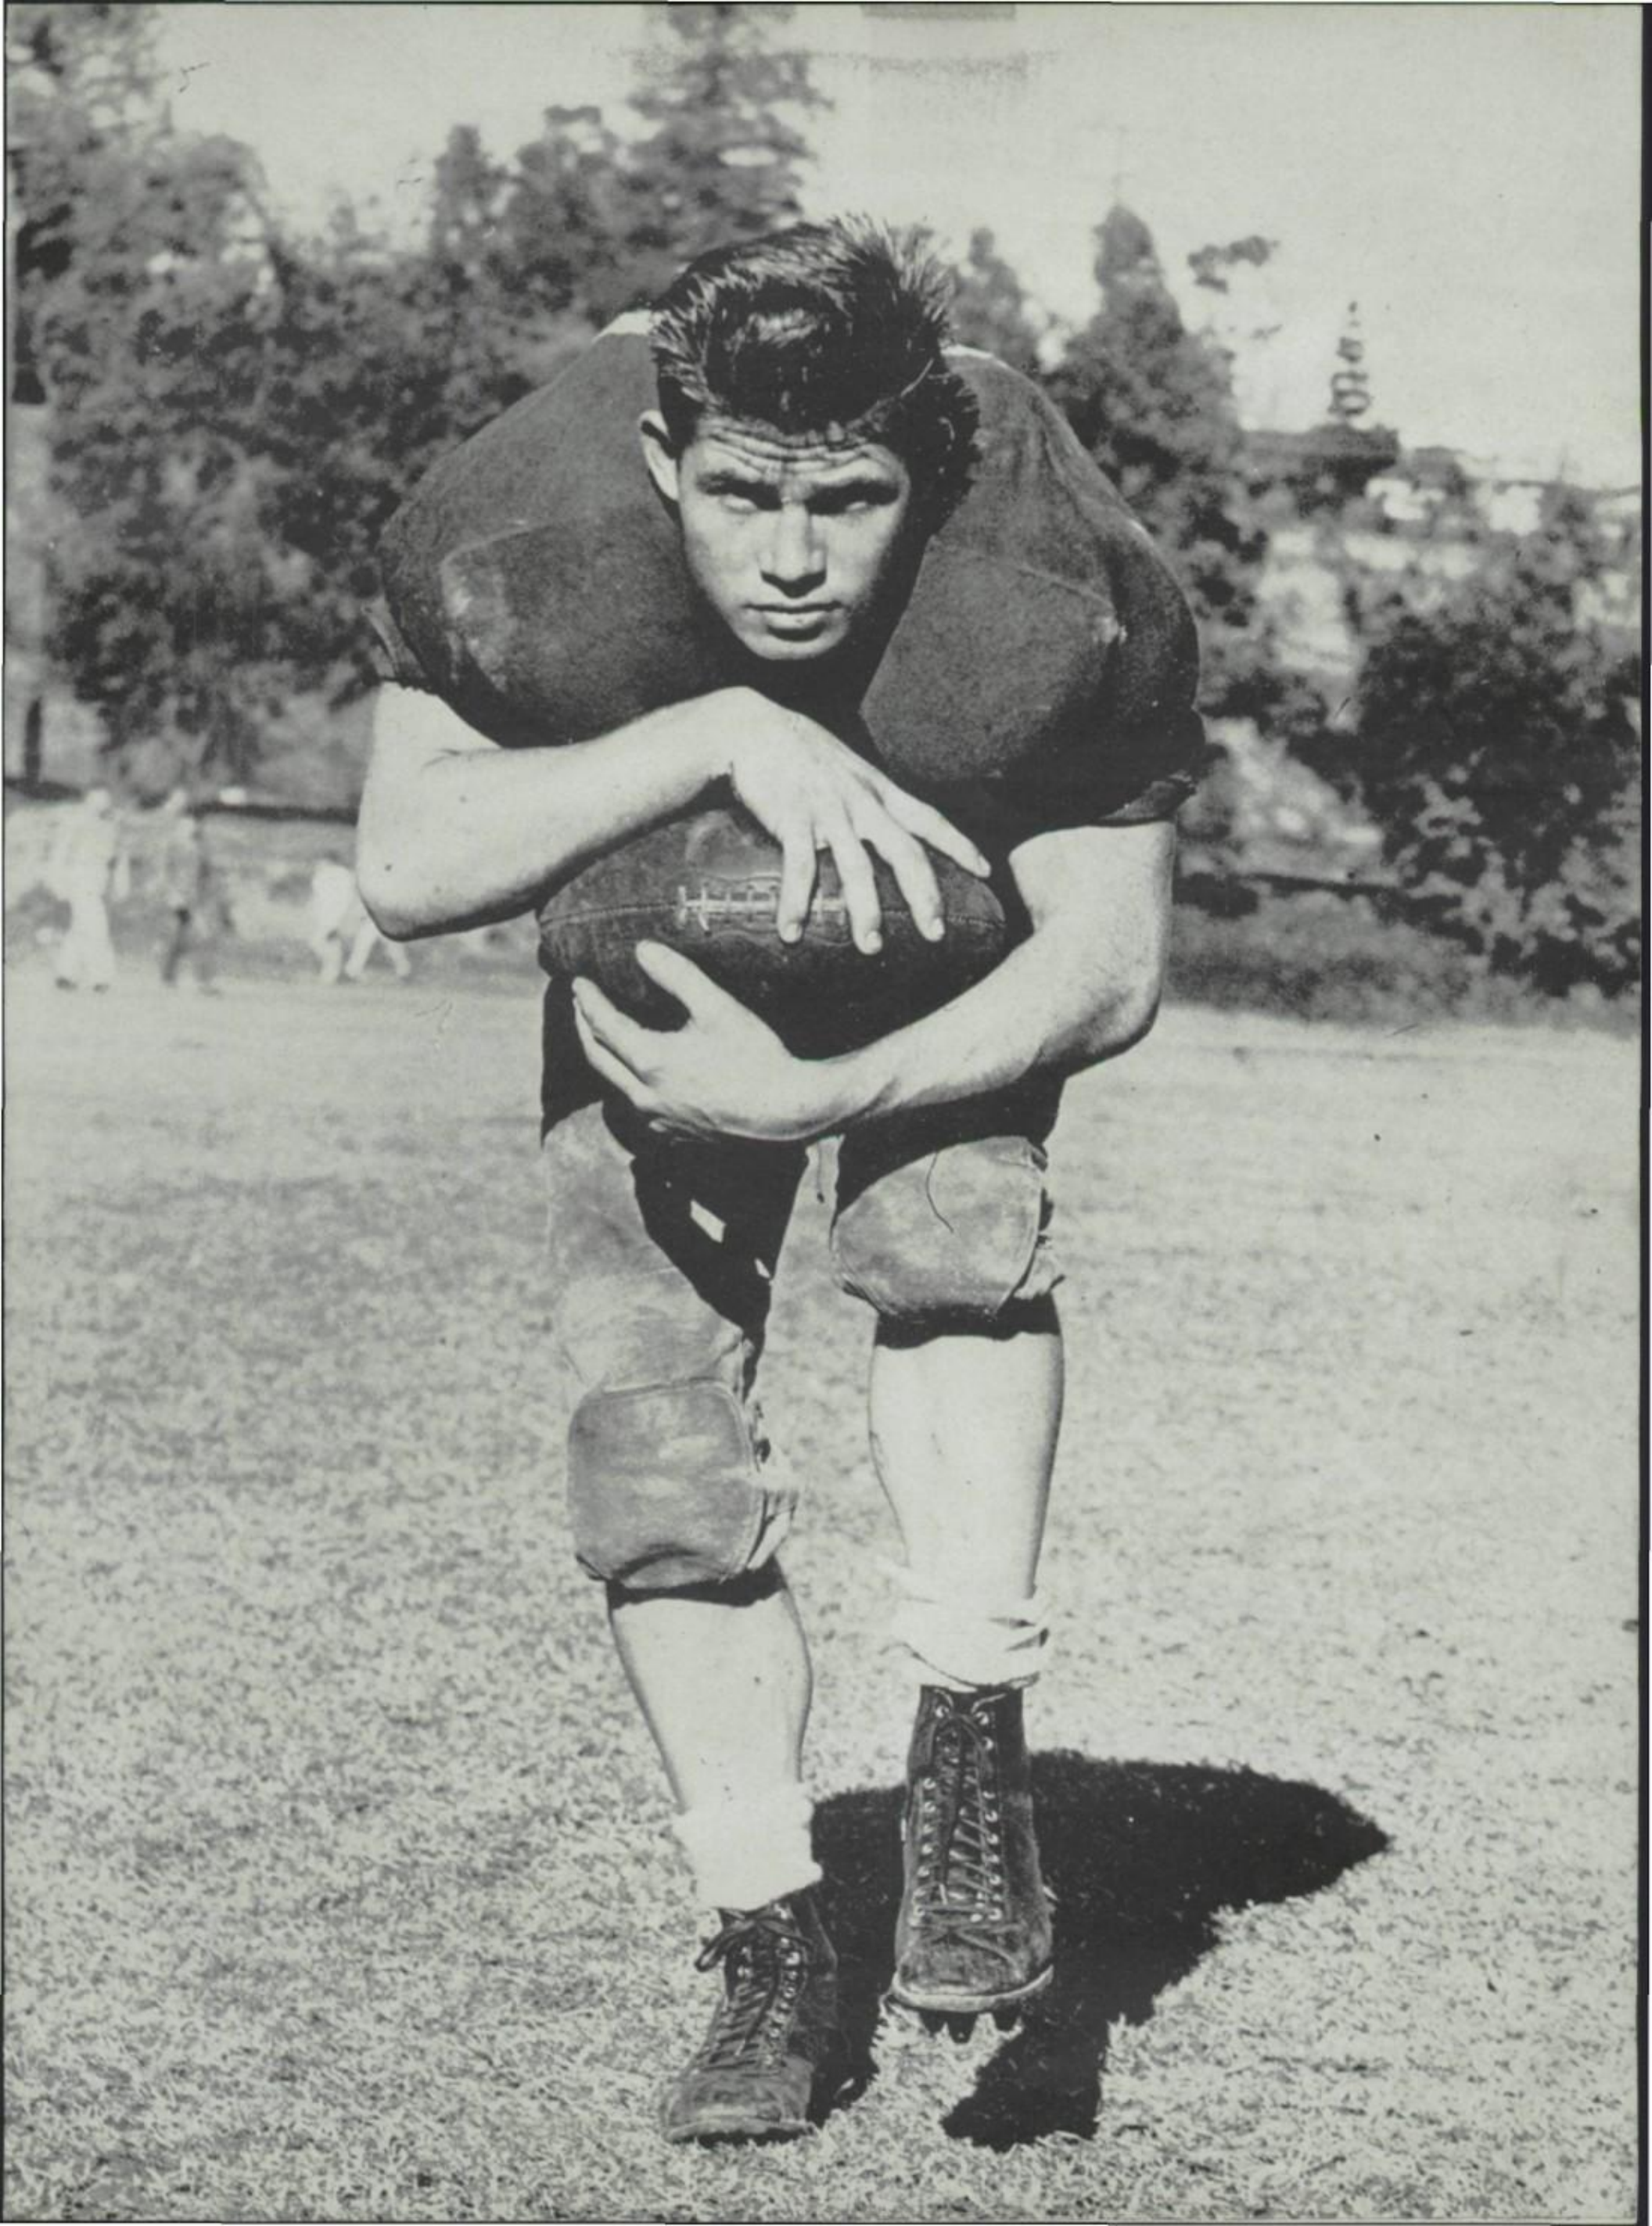

We had an up and down football team this year. Up when we were supposed to be down, and down when we should have been up. It was always a fighting team though, and one of which the school can well be proud. Led by Bob Nielsen and George Tanner, and ably supported by Osborne, Boaz, and Burgess among others, we placed fourth in the League. The highlight of the season was a 13 to 13 tie with Huntington Beach, the league winners, who later went on to the C.I.F. Semi finals.

The hoopsters weren't expected to do much this year, but opened the season by taking second place in the Huntington Beach tournament. Not bad, eh, for a team slated for last? With the steady playing of Crandall, Hacker, and others we finished a good third in league standing.

Our water polo team had it sorta' tough this year, as they started in the middle of the season. Many of the water polo stars, however, paved the way for league championships in swimming, which follows water polo. As of this letter, we have been undefeated in dual meets. Also among the realm of the undefeated is the baseball team. If all goes well, they should take league.

Our mighty spikesters were really cooking on the front burner this year. They came home from the Southern Counties meet with a first place in its Small Schools Division.

Ye old tennis racketeers have just started batting the ball around, but they don't look so bad. With a little luck and some hard work they should fair well in league competition.

Coach Turner

Dullik's girls went overboard to make a huge sporting success and a bang-up year of '46 - '47.

Heading the call of the autumn sports world, the girls first took to a round of basketball and interclass swimming, changing with brisker weather to hockey and interclass tennis. During this time, also, the dance club was working hard, originating its own dance patterns and setting them to modern music. The girls gave several outstanding dance programs throughout the year. Archery was studied by two physical education classes and various exercises were taken over by almost all phys. ed. classes at some time or another.

Came the signs of sunny spring and with it the throng teamed up for volleyball and coveted hopes of playing varsity tennis.

Time out for a glorious week at Bal! Returning to school with luscious-looking tans, the gals really turned out for a good season of softball and varsity swimming.

With a little regret, the girls finally completed the round of sports and looked back on a triumphant year. In memory of such a good year, we are sending a sports review in pictures.

The girls' "basketball" teams had loads of fun as well as exercise when the jr. (left), sr. (center), sopho. (lower left) and scrubs (lower right) played in interclass competition!

Lou Arnold, Lorraine Guglielmo, Kohlenberger, and

seniors boast a first all-star team. The first is Arnold, Peggy Boaz, B. An, Virginia Jullian, and, as forwards and right, Joan Grigsby, Evelyn Salter, Mary Hargot Whitt as guard, number and a captain elected.

The second teams, known as the Blues, include Delores Anderson, Lois Storbeck, Milton, Wanda Esch, McDowell, Joan Anderson, Varro, Irene Sepulveda, Frances Scott, Wright, Nancy, Nancy Graff, Charlotte, Hermann, Eugene, azoe Conner, Verla, Kristensen.
